

**7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.**

**PRACTICE 1:**

**TITLE OF THE PRACTICE:**

GOVERNANCE AND LEADERSHIP

**THE CONTEXT:**

Institute follows decentralization of powers through sharing of responsibilities at various levels, which has been clearly explained individually to all the staff at the time of appointment in the institution. By encouraging researches, Teaching-Learning process is also improved. Faculties are motivated to pursue higher studies. The faculty members are instructed to submit the lesson plan, and lesson notes to the Head of the department. The teaching staffs maintain log book and record of daily lectures delivered and practical conducted. Every week, Head of the department strictly monitors the log book. The faculty members also use different teaching aids for effective teaching. Senior faculty trains the junior faculty in study material preparation, course planner preparation, laboratory training and various academic and administrative responsibilities of the department.

**BEST PRACTICE II:**

**TITLE OF THE PRACTICE:**

INNOVATION AND RESEARCH

**THE CONTEXT:**

The Institute has major focus on Innovation and Research . The Institute encourages innovative ideas and research projects by the students and teachers. The college has set up Institution Innovation cell comprises of students and teachers. The students of our institution regularly participate in young innovators program (YIP) with the guidance and support of the teachers. We achieved 4th rank in District level YIP. Our institute is an approved PhD research centre under KUHS (Kerala University of Health Sciences). Our Institution has MoU's with around 27 Institutes in and outside India for Research collaboration.
