INSTITUTIONAL DISTINCTIVENESS

1. The institution is having a unique herbal garden which is a home to more than hundred varieties of precious medicinal plants that provides a rich source of research material available for students and faculty members to carry out their research programme and routine academic practical session.
2. The institute always maintain an extra educational implementation from the references of various universities and looking in India and Abroad. We are Signing MOU's with different organizations with in India and abroad for our students' academic development.
3. Our institution also doing something extra to the society about learning to interact with other people, being aware of gender issues, inequalities, improvement of quality of life of human beings. So we planned to bring about more awareness camp and other socio cultural activities to make our surrounding with a good healthy environment.
