ACTION TAKEN REPORT ON FEEDBACK

In adherence to standard practice, the Internal Quality Assurance Cell (IQAC) of the college has conducted an Student Satisfaction Survey (SSS). This survey involved circulating a questionnaire, to gather student perspectives on the teaching, learning, and evaluation processes. Responses were collected from students across various programs. Thorough analysis was conducted on the feedback received.

The consolidated opinions expressed by students have been meticulously examined. Upon reviewing the SSS results, it's evident that the college's teaching methodologies are highly commendable, performing exceptionally well. After through the discussion of IQAC members with principal certain action were taken based on the suggestions given by the students through feedback

Sl.NO	Suggestions from students	Action taken
1.	More cultural and social activities to be organized	It was decided to include more cultural activities and activities pertaining to social development while organizing activities for the institution based upon such decision students were encouraged and promoted which resulted in their participation in Interzone competition
2.	More number of Industrial visits	More Industrial visits and R&D visits were conducted for the students
3.	Improved technical methods to used to make teaching methods interesting	Based on this feedback improved technical methods were adopted which included creation of MOODLE (Learning Management System) site by individual faculty members for teaching and learning process. Further softwire like Ex-pharm and Clinirex were introduced for wide spread use by both faculty members and students to enhance the teaching learning process.
4.	Research work	More research work opportunities should be created. Also want to identify the student's weakness according to that give suggestions for improve their skills.

5.	Team cooperation	There needs a cooperation between every department
