SUMMARY REPORT OF ADD ON /CERTIFICATE PROGRAMS

Certificate programme on improving Communication Skills

The Dale view College of Pharmacy and Research centre conduct one week certificate program during the month of April every year. This course will prepare the pharmacy students to interact effectively with doctors, nurses, dentists, physiotherapists and other health workers.

During the session, the resource person, Dr. P Manoj Kumar, Principal, The Dale view College of Pharmacy and Research Centre presented the basic writing skills which covered areas like Punctuation, Commonly Confused words and Basic Grammar. Students were given exercises and role play sessions, where they were asked to use appropriate language – both formal and informal. The speaker gave useful information and tips for drafting business/official letters. Participants gave their feedback explaining how the program helped them to improve their communication skills and made them more confident in using English in a better way.

Outcome

Upon completion of the course the student shall be able to:

- Understand the behavioural needs for a Pharmacist to function effectively in the areas of pharmaceutical operation
- Effectively manage the team as a team player
- Develop interview skills
- Develop Leadership qualities and essentials
