### CERTIFICATE PROGRAM IN YOUNG ADULTS GUIDANCE AND COUNSELLING-INTRODUCTION

Youth form the most valued asset and important section of India. Their enthusiastic, vibrant, innovative and dynamic nature form precious human resources in every country. World Health Organization (WHO) defines "youth" as those aged between 18-24 years. Youth is the critical phase of life as it is a period of myriad physical, physiological, psychological, and behavioural changes that occur with changing patterns of social interactions and environmental conditions. These changes are also accompanied by significant stress on young people and those around them. The drastic and fast-paced change

### Motivational class for teaching and non-teaching
