46th FOUNDATION DAY

Punalal: The Dale View Group celebrated 46th foundation day on 23rd July 2022. The event was inaugurated by Hon'ble Governor of Kerala Shri Arif Mohammed Khan.

NATIONAL DOCTOR'S DAY 2022

As part of the National Doctor's Day, the 6th year Pharm.D students of The Dale View College of Pharmacy & Research Centre organized a program to acknowledge the fearless work of doctor's on the frontline during the Covid-19 pandemic. Students visited all the doctors of different departments and gifted them a plant. A great response was received from all the doctors as it was an overwhelming moment amid this pandemic situation. It was a special occasion for our students, doctors, and our college to respect the real angels behind each patient's reason for cure.

National Doctor's Day is observed on 1st July every year in India to honor their contribution and noble work. The National Doctors Day is being observed in India since 1991 in honor of Dr. Bidhan Chandra Roy - an eminent physician, academician, freedom fighter and politician in West Bengal. He had played a significant role in forming the Indian Medical Association and Medical Council of India.

The theme for National Doctor's Day 2022 is **"Family Doctors on the Front Line"**. This theme highlights doctor's contribution and shows them gratitude as they care 24x7 for the whole of humanity or a community as their family.

DALE VIEW RECALLS FOND MEMORIES, FEELS HONOURED

AS THE NATION gets the first tribal President in Droupadi Murmu, Dale View a social development agency running various institutions in the capital- is basking in the glory of a visit by the new President a few years back.

Shaiju David Alfi, CEO of Dale View, recalled the fond memories of a visit by Murmu and her long-term association with the organization after her visit.

"Her life's journey is so tough, inspiring and motivating. She accepted our invite happily to take part in the 43rd annual celebrations of Dale, View in 2018. We feel so honoured right now. She was here for three days and was very impressed with the social initiatives we have been doing. She wanted to replicate all these projects in Jharkhand. She even placed a proposal before the Jharkhand government," says Shaiju David. He said that Murmu had invited them to Ranchi for further discussions to implement similar projects there "We went there many times to help. She took efforts to launch an educational institution and other facilities on the lines of Dale View even after her retirement," says Shaiju David.

The link between IPR & Youth

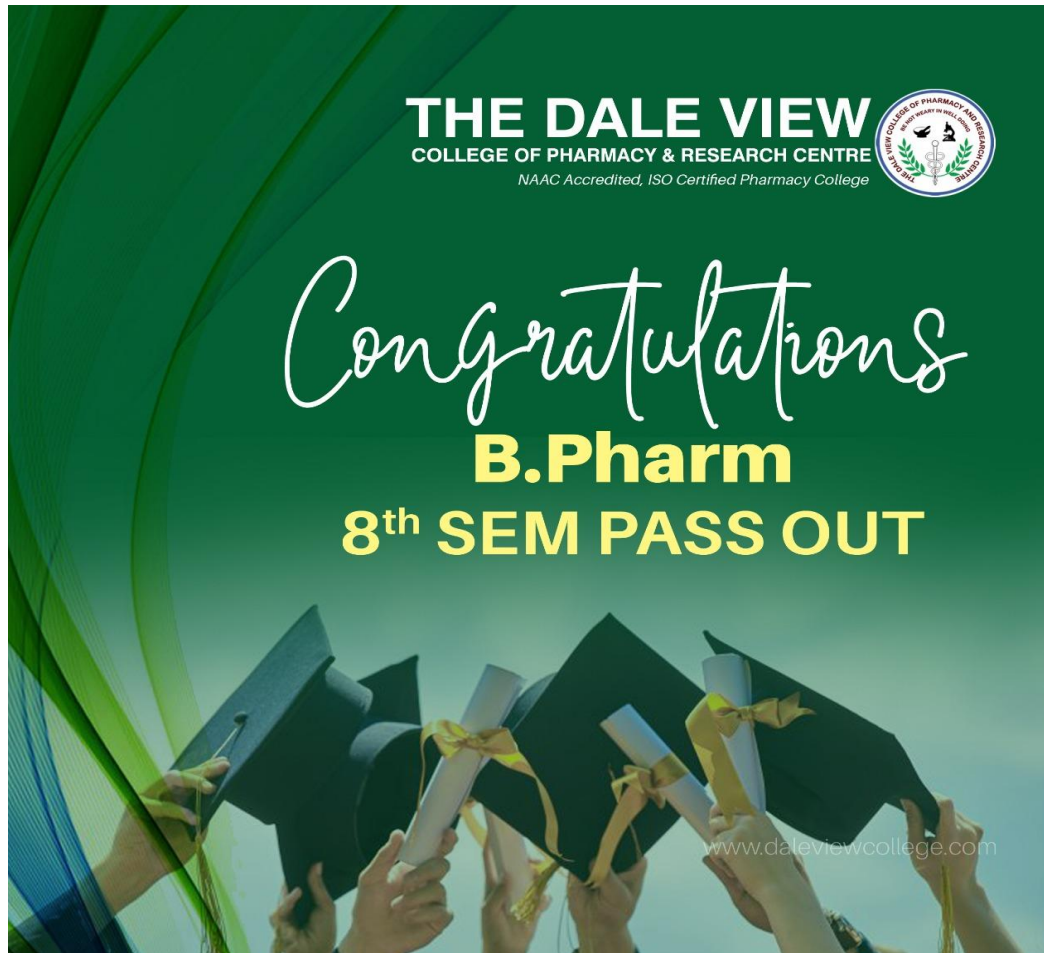

The World Intellectual Property recognizes the huge potential of young people. They are the store houses of energy, ingenuity, curiosity and creativity. They are the pillars of the Nation. Once we ignite the lamp, it will last long for ever. Therefore sowing IPR seed in the minds of youngsters will fetch a lot of reward
